

Apr2017 report.

Dear brethren, Hope all is well there.

About the congregation:

Sister Jean Bullock has changed Dr, and has a new treatment routine which seems to be helping with both physical and mental issues. Pray she will continue to improve.

Jean's Daughter-in-law and caretaker, Brenda, is still having some health problems as well. Keep both in your prayers

Lora Cotten's mom, Hope Doss continues to have health issues that keep her in and out of the hospital. Please keep the Doss and Cotten families in your prayers.

Our local local visitor has stopped coming. Have called a couple of times, but no returned calls.

Several other members are still having health issues, but none have been hospitalized. As I mentioned before, our singing is very "horsey", but we all keep at it.

Sister Christina Countryman is still having some "family" issues now. Having a hard time getting to meet with her. Keep her and her kids in your prayers.

Sister Rachael Shurman's new job is working well for her.

As previously noted, we're down to 8 families, with 18 people if everyone is there. Sun eve and Wed. nites are still down to 3 families regular. We have had to cancel some evening services due to sicknesses. As I've mentioned before, it does get discouraging at times, but then something happens and the Lord says "hang in there".

About Glenda and me:

Glenda's nephew Cody is not with us much now since he is out of school for the summer.

Our son, Jonathan, was just released from prison. After 15 years, its like starting all over for him as he has no skills. Your prayers for him and us will be greatly appreciated.

Glenda is having her seasonal allergy issues.

I'm still working on "kidney stones" for now. Have had 'cataract' surgey on both eyes now. Should help me see much better.

We're talking about how we might attract more bible studies. Keep us in prayers.

I really need prayers. I've become involved in a compitancy and "guardianship" issue for my 89yr/o mother with 2 of my sisters. It's going to get ugly I fear. I and my family need all the prayers we can get.

Thanks for your continued support of the work here.
