**June 2017 REPORT**

July 4, 2017

**Beach Street CHURCH OF CHRIST**

Fort Worth, TX

***To the elders and saints at Beach Street:***

Dear brethren,

We have just passed the halfway mark of the year 2017. God continues to bless us with every spiritual blessing in Christ. He watches over us with genuine concern for our soul's salvation. God sends rain on the just and on the unjust. He makes His sun rise on the evil and on the good. We are grateful for all that God does in providing for us and mankind in general.

**≈ VBS ≈**

June 26th - 29th was a busy week with VBS at **Fry Road**. *"Jonah and the Big Fish"* was the theme for our VBS. It was a real treat to teach the 4th and 5th grade class and to be encouraged with their knowledge and participation. These children are the Christians of tomorrow. We pray God's blessings on all of them here and for all other children in whatever local church they may be.

**≈ SANTO DOMINGO, DOMINICAN REPUBLIC ≈**

Just as I informed you in my last report, plans are to return to **Santo Domingo** the last week in July to work with several congregations in and outside the capital city. Thanks for providing part of my travel expenses. Brother *Arcadio Mañon* will be putting together a preaching schedule for my work among the churches. Arcadio is a great man and helper. Look forward to working with him in July and with the local churches in that area. The Lord's work in the **Dominican Republic** remains a challenging work due to the powerful influence of Pentecostalism and liberalism among the majority of the local churches. Those brethren struggling and remaining faithful are few in number. Teaching Bible truths is essential to correcting these erroneous beliefs and practices, as you well know.

**≈ FINALLY ≈**

Thanks so much for your remembrance of us in your public and private prayers. We are profoundly appreciative of the financial support you provide. You, your loved ones and your local work at **Beach Street** are remembered in our daily prayers.

In Him,  
Ruben C. Amador
