REPORT FOR THE MONTH OF
NOVEMBER 2017

God bless you, receive a greeting in the brotherhood that unites us through the word of God.

For the glory of God in this month of November the work in the work of the Lord was good, we go forward every day trusting in God.

We keep meeting every Sunday to fulfill the adoration of our great King and Lord Jesus Christ, every Sunday we have new guests and good attendance of brothers.

On Wednesdays we continue with the meetings for prayers and the study of the word of God.

I am also meeting on Saturdays with the men of the congregation to study the word of God and to discuss important issues with the

brothers new to the faith. This has strengthened and strengthened the brothers and they have integrated into the work for the glory of God.

In these last months I continue visiting the brothers who meet in the Las Corubas neighborhood and the brothers in San Juan.

In this month I also began to meet with the brothers who meet in the Church of Christ that is in the neighborhood the Gaitero carrying the preaching from the pulpit, with the favor of God I will begin to visit them more frequently.

I also inform you that my brother Juvencio also brother in the faith left to be with the Lord after a long battle with cancer, for the glory of God departed with him, now he is the third member of my family who dies being a Christian.

I ask for your prayers for my family and for my person so that each day we can move forward in obedience to the Lord.

I also ask for prayer for the church and spiritual growth and in number and also for unity.

I ask for your prayers for our country so that things improve and we have the necessary things of each day.

I thank God for you and I ask that each day give you a lot of health and life so that you can continue working in the Lord.

Without saying goodbye, your server, José Gregorio Díaz Leal.
