

A: Elders and deacons of the church.

From: Santos Palacios

Reference: Summary of work until December 2017.

My beloved brothers, the work done in the month of December was the following:

Church of Christ in Granada

We had 35 studies, two contacts and one restoration. In the home cults we are taking advantage to preach to neighbors of the brothers who are invited and relatives. This is a very good tool or method of evangelism.

Collaboration with the church in the Rama.

I traveled in the company of a brother who is beginning to preach; He is a member of the church in Reparto Shick, in Managua, and he has become a very good friend of mine and feels the desire to collaborate with small congregations.

We visit brothers and we participate in teaching. In this place, Brother Jacinto Mendoza is still working against winds and tides, since the brothers who remained in liberalism berate us.

Collaboration in Masaya

Helping Brother Francisco Martinez, he also collaborates with us in Granada in evangelism and teaching to the church.

The meetings in my house in Managua.

We continue the small group but faithful, brothers who together with my family are worshipping the Lord, studying the word every Wednesday united to the family of Brother Alcides Gómez; they are 8 members and my family is 6 and 4 more brothers, we make the amount of 18. For this year we are going to evangelize enough to magnify the work here as well.

This month I did not visit Bluefield's because I have taught the boys a lot and the evangelist has a lot of knowledge, and also because we are waiting for Brother Juan Garcia of San Marcos Houston Texas, who is going to visit the two works: of Bluefield's and the Rama .

I am visiting again a liberal church, located between Granada and Masaya. I was their preacher for three years, when I was ignorant of the true doctrine. Some of the older men in the faith are receiving me and I am giving them studies. I ask for your prayers so that as Bluefield's, the Rama and other congregations, with God's help I have managed to get them out of the error, they also leave the doctrinal error. I ask for your prayers so that my illnesses do not stop me in this wonderful work as is the teaching of the Sacred Scriptures, and on the day of my departure I feel happy and sure that I was a little useful and the Lord told me how little you left me faithful in how much I will put you. Sometimes I do not have the right words to thank you who help me with your prayers and financial support, without which I would not do this beautiful job. This year, God willing, we will have many fruits. God bless you

Note: I want to thank publicly the brothers Joshua Revers and Wayne Partain because in my trips to the Caribbean coast, they helped me financially. Once, God bless your generous hearts and your trust in me.

To Brother Ken Parristh because he has been helping me with the purchase of my medicine. Blessed be God our Father, because he put them in my path and I have been greatly blessed.
