

# BOSTON

Dear Brothers & Sisters,

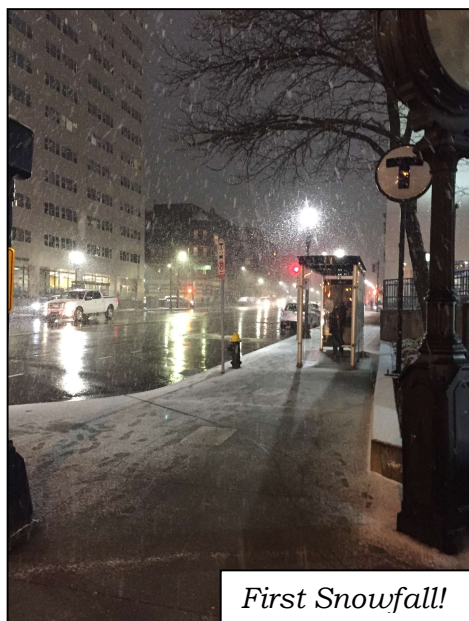

Thank you for your continued interest in the Lord's work in Boston. We are blessed to be here and could not be without your love, support, prayers, and encouragement.

## **Christians in Boston**

We are thankful for our meeting place within Hotel 140. It meets our congregation's needs, and it is convenient to public transportation, which is essential for many of our members. A couple months ago, we had heard that the room we rent was going to be changing ownership. However, we were informed recently that the new owners are going to extend our lease for the next 18 months at our same rental rate. Praise God! For a congregation accustomed to the transient nature of life in Boston, it is a blessing to have a "home" for a while longer.

This month also found our congregation enduring a trial together. One of our brothers

informed us that he no longer desires to fellowship with us, deciding instead to join with a denomination. We are saddened by his decision and are sorrowful to see that he has become entangled in a teaching which places less emphasis on accurately handling Scripture. Please pray with us for this brother. Pray that he may seek and desire to follow all of God's truth. And pray for us all "to attain to the unity of the faith and of the knowledge of the Son of God."

## **Work of Evangelist**

An interesting development has happened with the Lunch Bible study at the hospital. This past week John (the doctor who began the study) met with one of the chaplains of the hospital, who showed some interest in what we were doing. He joined our study

*Turkey Run in New England  
(-4° wind chill)*

and is now planning to work with us to find a better meeting location (we are currently meeting in the cafeteria) and also to help advertise the study throughout the hospital. We are excited about the possibility of having more people join us. Please pray for this study to provide more opportunities to open God's word with searching souls - and for me to be bold in proclaiming His truth.

I am in the midst of a preaching series through the Letter to the Ephesians.

In this series, we have been looking at the rich spiritual blessings that God has given us through Christ. We have seen Paul's prayer for greater understanding of the Ephesians' hope, inheritance, and God's power. We have studied that, like the Ephesians, we were once dead in our sins, but God has made us alive by His grace through His Son. We also saw how Christ tore down the hostility between Jews and Gentiles and between us and God. Finally, we've looked at the mystery of the gospel and Paul's prayer for the Ephesians to be strengthened in the inner man, so that they could comprehend God's love and know the love of Christ. Preaching through this epistle has encouraged me by increasing my awe toward God and what He has done for us, and it has pushed me to pray more like Paul. I am prayerful that the congregation has been strengthened in the inner man through this study as well, and I am excited to dig into chapters 4-6, beginning in December.

### **Personal**

November is a busy month for our family. Olivia and Abigail celebrated their eighth birthday on the 10<sup>th</sup>, and Hannah celebrated her birthday on the 25<sup>th</sup>. In between these, we hosted Thanksgiving at our house with the church members who were in town for the holiday. The day was filled with delicious food, fun games, and thankfulness to God for the fellowship we all have with each other.

To God be the glory in all that He has done!

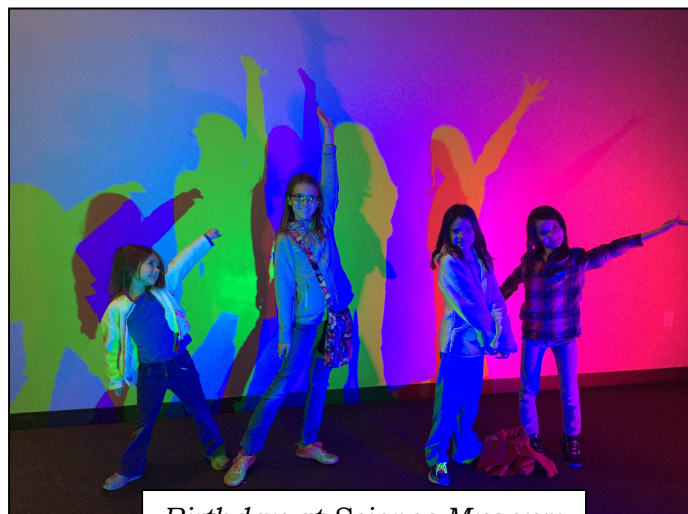

His Servant,

*Kyle Bennett*
