January 2019 REPORT
January 27, 2019

Beach Street CHURCH OF CHRIST
Ft. Worth, TX

Dear Brethren,

We are now into the New Year 2019! Greatly blessed by God and by our fellowship in the gospel of Christ Jesus. You, at **Beach Street**, are very dear to us due to our long history of working together to proclaim Christ. Minnie and I are grateful for your concern, prayers and financial assistance. I look forward to our working together in this New Year 2019.

I am glad to inform you that I am finally over my struggles with pneumonia. It sure feels good to be back at 90%. Always allowing room for improvement at my age! Today I am 73 years old.

My Work in January:

- I started teaching Philippians at Fry Road in our first semester (Jan, Feb & Mar) of our Bible Classes for the year 2019. The study is a contextual study, as if Philippians were the only book in the Bible. I will finish the auditorium study the last week in March.
- I am returning to Peru tomorrow, Monday, January 28th and returning home on Wednesday, February 6th. The plans are to be with the new local church in *Catacaos*, with the brethren in *Paita* and with the local church in Sector of *Surquillo in Lima*. As you will recall, the main reason for this trip is to work with the brethren in *Catacaos*, brethren that separated from an institutional oriented church.

My Work in February:

- The last week in February I will be returning to *Santo Domingo*, Dominican Republic, to work with several congregations. One of these is a group of brethren in *San Pedro de Marcoris*. I visited with them in my last trip to Santo Domingo. The elders of this congregation, although associated with the institutional movement, invited me to preach at their assemblies. Brother Arcadio Mañon, who labors with the brethren in *El Mamón*, is working with the other brethren to schedule my preaching appointments.

This newsletter is going to you a few days early due to my trip tomorrow. I will have more information to share with you in my next report. I need and ask for your prayers and continued fellowship in the gospel of Christ Jesus.

Sincerely,
Ruben C. Amador
