April 2019 Report

**Beloved brothers.**

I write to you from Tumbes, north of Peru. Here I am with brother Carlos Pérez, evangelist of the church of Christ in Puente Piedras, Lima. initiating our evangelistic work with the brothers of Peru.

As usual, I am writing to tell you about the work done in April in the preaching of the Gospel in Chile.

I always thank God for all of you who have fellowship with me and sustain my gospel preaching work by allowing me to announce the Word of God in every place where the Lord allows us to get there.

## **Report of the Activities Performed in the Month of April 2019.**

I presented the following Bible lessons for the local church.

- **"The Need to Hear the Gospel"** 2 Thessalonians 1: 8,9.
- **"Redemption"**. Colossians 1:14.
- **"Not Achieving the Grace of God"** Hebrews 12:15.
- **"Christ Died On The Cross To Lead Us Back To God"** 1 Peter 3:18.
- **"An Inevitable Appointment"** Acts 17: 30-31.
- **"We reign with Christ"** 2 Timothy 2:12.
- **"After Dying the Judgment"** Hebrews 9:27.

The group of brothers who help in the preaching in the church of Christ in Limache allows me to work with other churches in the area and also in neighboring countries. These brothers are: **Rubén Toledo, Nelson Moraga, Rodrigo Acevedo and Emilio Acevedo Jr.** I thank God for these good brothers who are part of the work team in the local church.

## Evangelism.

The work of recording Bible lessons on video has been very beneficial for the brothers who receive them. I am sending these lessons every weekend to siblings in Chile, Argentina, Peru, Ecuador and Uruguay. This effort results in help to several small groups of brothers who do not have permanent preachers.

I also continue to present Bible lessons to Venezuelan citizens who visit us at church meetings. They are: **Estefany Ramos, Melisa Escalona, Erik Ramírez and Edgar Castellano**. We have studied about marriage, the existence of hell, the deity of Christ, etc. Some of them met with the sect "Jehovah's Witnesses". We hope that these people can be persuaded to obey the gospel for their salvation.

## Churches of Christ in Loncoche, Southern Chile.

As I told you in the March report, the brothers in the Loncoche church told me that Brother Daniel Cárdena had died of heart problems. I traveled 13 hours by bus to help the brothers of this congregation, I preached the Sunday sermon in adoration and I also had the opportunity to present 2 lessons at the wake and funeral service of Brother Daniel I returned on April 3 home. It was very good to encourage and comfort the brothers with the word of God.

My plans were to travel with Inés, my wife to Peru. We had the tickets bought and everything prepared, but there was a problem. Our son Christian became seriously ill, a digestive hemorrhage caused him to lose 40% of his blood and he

was admitted in a serious condition in the ICU of the Viña del Mar Clinical Hospital. There were 5 days of uncertainty without knowing the origin of the hemorrhages. After the blood transfusion, medicines and medical tests were better. Now he is at home with rest and special care. It was necessary for Ines to stay at home to take care of Christian. New exams are needed because the origin of digestive hemorrhages is not yet discovered.

I asked brother Carlos Pérez de Lima to be my preaching partner, with good will brother Carlos accompanies me in this preaching work in Peru.

Do not stop praying for the health of our son Christian and also for our preaching work in Peru.

My beloved brethren, I feel a deep gratitude for the effort you make to support my preaching work of the gospel in Chile and South America. Our God who sees our effort and love for the gospel will reward that day our work.

Do not stop praying for the evangelistic work that I do for the glory of our Lord.

Your brother in Christ,

*Emilio Acevedo.*

*"Finally, brethren, pray for us, that the word of the Lord may have free course, and be glorified..."*
