***REPORT FOR THE MONTH OF  
APRIL 2019***

The peace and grace of God be with all, I hope in the Lord be well with all your loved ones.

Thanks to God's mercy and his will we continue to work in the Lord's work, things in our country are very bad, but this does not stop us from the service of our King and Lord Jesus Christ.

For the glory of God the Church continues to grow, spiritually and numerically, many are believing and obeying the gospel of salvation.

In this we have a new brother Edward husband of our sister Graciela, we ask for your prayers to continue forward

Also this month I was with the brothers of the church that meets in San Juan and gave some medicines to the brothers who are very poor. I am working with these brothers teaching the word of God.

Indigenous brothers of the Wayuu ethnic group, Church of Christ in San Juan.

I ask you to pray for all the work that is being done in our country so that each day more people are saved. I ask your prayers for our country so that everything will soon be resolved in holy peace and we can live in peace. Be praying for my family and for my person so that the Lord gives us much health and strength to continue working on his work. Thank you dear brothers for your great help in these difficult times. Your brother in Christ and servant: José Gregorio Díaz. Peace and Mercy.
