

Greetings to all the elders, deacons and all the members in the matchless name of our Lord and Jesus Christ. By the grace of God, I am doing well.

On 12th April POP casting was removed from my leg. Thanks for your prayers and support, on 2nd the money was deposited in my account.

On the 9th I have traveled to Mominpet Church of Christ to teach in one-day preachers bible class. Preachers have taken good advantage of the lesson few denominational preachers also attended.

On the 14 and 21st Sundays, I have preached in our local Church, attaching some pictures. Due to my leg problem, I couldn't travel much.

I once again thank all the members for your prayers.

Thankfully,
Y.Surender.
