

June 2019 report

Dear brethren,  
Hope all is well there.  
About the congregation:

Most all are well now, after some colds and allergy issues.  
Sister Dorothy Warren , who has AFIB and congestive heart issues, is continuing to do much better. She is weak, but is still making sunday morn worship. Sadly, her husband Ray passed away last week. He will be buried in Blanket, Tx near Comanche, Tx) on June the 3rd. We expect her to continue living here near their family. We'll have to see how her health holds up.well with it. Maybe this will help some of their family to examine their spirituality and take some positive action. Pray for Dorothy at this time especially.

Rachel Scheuerman is still doing good. Her job has become mostly full-time, but she can't seem to get a regular schedule going. Her mom in south Tx is not doing well healthwise. She needs lots of prayers and encouragement.

We are continuing to try to work with sister Deb Westerman, but I'm not having much luck . Something else always seems to get in the way. Please pray for her and for me as I try to help her.

J.W. and Patsye Greenwood placed membership the end of May. They had worshiped with us several years ago, but left. Theyare both having health and memory issues. Please remember them in your prayers.

Denver Dobbsa H.S. senior, has a 15y/o close friend in Oklahoma dealing with kidney cancer . He's having a difficult time. Pray for him and for his friend ,Kelsey.

All other members seem to be doing well spiritually, especially with some of the extended family issues they are having.

We had no visitors in May.

About Glenda and me:  
Glenda is doing fairly well. Still tires very quickly, and is not recovering very quickly. Thanks to all the brothers and sisters who keek her in your prayers.

I've been in good health, so hopefully that will continue. I did a Wed nite lesson for the Old Granbury Road church on May 5<sup>th</sup>. Talked about Sarah. I think it went well. I talked with one of the elders there about doing a meeting in spring of 2020.

Physically and spiritually we continue to do well. Again, thanks for your support and prayers.
