

Greetings to the elders and all the members at N.Beach St. I hope all the members are doing good. Brother Gray, you are very much in our prayers

I have received the support for the third quarter. I thank each one of you for all your prayers and support.

In the month of June apart from my regular work with the local Church I have traveled to several places to preach the word of God.

On 9th I have traveled to Church of Christ at Siripuram , brother Pochaiah is doing good work with this congregation.

On 21st one of our young preacher has died because of Blood cancer. He was 32 year, last year got married and blessed with a baby girl she was 9 days baby when he was passed away. I did the funeral service on 22nd and also preached in the memorial service on 5th of July.

His name was Enousekumar, kindly pray for his wife and his daughter.

Enousekmar is from Madaramettla, this town is 350 km away from my home town.

On 14th my self and my family traveled Church of Crist at Mominpet to preach in the worship service. The members are growing in faith and in number.

I once again thank all the members for the support and prayers.
