

July 2019 report

Dear brethren,
Hope all is well there.
About the congregation:

Most all are well now, after some colds and allergy issues.

Sister Dorothy Warren , who has AFIB and congestive heart issues, spent several days in the hosp with her heart. She is weak, but is home , but only getting out for medical reasons now. Her husband Ray passed away. Dorothy is doing well with that, but I'm afraid her heart issues will get worse. Please keep her in your prayers.

Sister Rachael Scheuerwman is doing pretty well, but needs prayers for strength. So far she is usually able to make at least one service a week. Her mom in south Tx is not doing well healthwise.

I'm having trouble getting in touch with sister Deb Westerman in trying to get her back to worshipping regular. Please pray for her.

All other members seem to be doing well spiritually, especially with some of the extended family issues they are having.

We had one visitor in July, a family looking to move into the area from Tenn. Haven't heard about any decisions yet.

About Glenda and me:
Glenda is doing O.K. Still tiring very quickly but he r bloodwork is looking good all things considered. We attribute the progress to everyone's prayers for her, so thank you all so much.

I've been in good health, so hopefully that will continue.

Physically and spiritually we continue to do well. Again, thanks for your support and prayers.

July support:
Midway.....\$1500/mo
North Beach.....\$500/mo
Weatherford.....\$600/mo

We continue to pray that the Lord's Word will spread.

Thanks again for your prayers and support.

In the Lord

David Reeves
