Greetings beloved brothers, what a joy it gives us to communicate again by this means. We are alive and we thank God for it, we have the desire that everyone is well, blessed by the grace of God.

Church in Maturín centro.

The brotherhood in Maturín stands firm in the faith and forward in what needs to be done, praying, worshiping and serving the Lord in the midst of the difficulties we are going through as a country. We praise the Lord and give thanks for the strength he gives us.

RESTART OF THE WORK OF GOD IN VALENCIA, CARABOBO STATE (CENTER OF THE COUNTRY)

At the beginning of the 80s when I was still in the "liberal system" (I had been baptized for forgiveness of sins on July 8, 1979) I started a work in Valencia, in the Nagua Nagua sector, with the baptism of a marriage (July and Dora Coizman), then there were other conversions and the church was growing (at the same time I started another church in San Felipe, Yaracuy State) and was a member of the church in Barquisimeto.

Years later, when we studied and were aware of innovations in the church and non-biblical practices, in Barquisimeto, on May 27, 1989 we separated ourselves from non-biblical practices and the "liberal system." Unfortunately the churches in Valencia and San Felipe did not want to accept the correction and continued with the "system" and broke the communion with us.

New effort in Valencia. In 2003 a group of preachers worked together for a month in Valencia to establish a church faithful to Christ and his sound doctrine, among others: Ronald and Gregory Roark (U.S.A.). Epafrodito Sandoval (Mexico). Luis Perozo, Agriberto Estévez and this server

(Venezuela). There were several baptisms. Brother Agriberto Estévez continued working for two years. Then there was Brother Gustavo Moreno until he went to another place. Unfortunately the work disappeared.

First member

Some years ago we met in Maturín the young sales executive Angelines Dedola, who represented a company in the city. With us she learned about the gospel and when she returned to Valencia, my wife Milagros kept in touch with her, teaching her the word of God over the phone. She then contacted Brother Orlando Vargas, a preacher in Barquisimeto, who personally attended her in Valencia and with whom she was baptized for forgiveness of sins on February 10, 2017, since then she has been alone as the first member of the new church, wishing there were more brothers to worship and serve the Lord together, meanwhile, my wife has followed her and taught her from a distance through a telephone. Her sincerity, faith and deep desire to move forward, has motivated me to invite brothers from the churches of neighboring cities to do a job of restarting the church in Valencia. With the support of Angelines and from home, on Sunday 20th of this month we begin with the first meeting. And from the church in downtown Barquisimeto, the brothers Orlando Vargas and his wife Rosamaría and Virginia Timare supported. From the church in Maturín downtown we were my wife, our son Antonio Jr. and this server. From Valencia, Angelines her parents and a niece and several visitors.

MEETING ON OCTOBER 20, 2019 IN URB. CITY ALLIANCE, GUACARA, VALENCIA, CARABOBO STATE. VENEZUELA. SISTER ANGELINES DEDOLA'S HOUSE. TO THE FRONT SITTING THIS SERVER WITH THE PREACHING.

**LEFT TO RIGHT: SISTERS ANGELINES
Y MILAGROS**

Written by Orlando Vargas, preacher in Lara, member of the church of downtown Barquisimeto. Published on Facebook:

“Today, Sunday, October 20, a new page of vocational work has been opened in the work of God in La Gran Valencia, Carabobo State, specifically in Guacara.

The old soldier of the faith in Venezuela brother Antonio Lira moved from Maturín with his wife Sister Milagros Bello de Lira and his son Brother Antonio Lira Bello to the house of

Sister Angelines Dedolas to lay the foundation stone of the word of God who, through God, must constitute the resurgence of the healthy Church in doctrine in Valencia.

From Barquisimeto we moved this server Orlando Vargas, my wife Rosa María Ereú de Vargas and sister Virginia Timare.

Several of those present (13 in total) were surprised by intrusive tears of love that, unintentionally, were present while we listened to the preaching made by Brother Antonio.

There was a lot of genuine, spontaneous, sincere, involuntary love. A lot of humility and simplicity, the same one that has always distinguished churches such as the Conquistador in Barquisimeto, that of the La Greda sector in Carora in Lara, that of San Gerónimo and San Felipe in Yaracuy and that of the Barrio Lourdes in Maracay, as well as many others in the country, whose members inevitably sprout the sincere and ineffable love of the Lord.

May the subtle, tender and delicate love of the Lord continue to manifest itself in his children, and that, from this seed planted today in Guacara, sprout a leafy tree of love that spreads its fruits throughout Valencia. ”

So far this extraordinary newsletter.

It is the occasion to express my gratitude to the Almighty God and to you brothers who are with me in all this effort, for your prayers and love for the work of God.

The time is propitious to also thank the good will and love to the brothers of Barquisimeto who have been given in service to help in the restart of the work in Valencia, there is also a manifestation of support from Yaracuy. I also thank my wife, my family for the help they have given me to undertake this trip with this initiative. And knowing the love of Christ and his work as I know it from my brothers, it is certain that other brothers will also join to support this purpose.

If God allows, it will be until the next edition, meanwhile, God bless us richly. Goodbye.

Antonio and family.
