Dear Brethren, I hope everyone is in good health. I hope your work keep going well, and your congregations continue blooming is spiritual growth, and also in number.

Brethren, I would like to tell you that this month has been a lot better, very different from last month. Our attendance have been better and very consistent little by little.

My wife and I are very encourage because we re-started our Bible class with Sister Alma Castillo, and she's attending again in a regular basis. The class is every Tuesday morning at 9:30, this class will be once in her home and once in our house. Our Bible class with Brother Jose Olivares and sister Idalia is going well too, this class is every Thursday at 7:30 in our house. The class with Gerardo and Diana continue strong on Fridays at 8:00. The class with Brother Miguel is on hold for now.

Haydee Argueta stop attending and so her friends Imelda and her daughter Monica. Also Carlos Najera from Fort Worth stopped attending too, my attempts to contact him has been unsuccessful, but I will keep trying.

Back in September 4th, we lost my Step Dad, he was 83 years old. I was asked to speak in his funeral. He was not a Christian, and neither had he visited the Lord's Church not even once. Our loving God gave him so many opportunities to visit our congregation but he never did, at the end he die without our Lord Jesus Christ. Since his dead, my wife and I had the opportunity to visit my little brother's house. We are trying again to encourage my little brother Jorge and his wife Nereyda, to visit us again.

We just finish our last gospel meeting of this year, our Brother Ismael Rangel from Ft. Stockton, far in West Texas, was the invited speaker. The meeting was well attended from our congregation, and from the Brethren around, whom came to encourage us and to support our meeting.

My wife and I visit twice this month with the Pleasant Grove congregation, and once with Castleberry congregation. May God Bless every one of you, please keep us in your prayers.
