**Covid-19 in my city:** Unfortunately, in the city where I live, we have several 117 infections so far. There is sustained community transmission. But beyond that for the moment there are only a few restrictions.

**Meetings:** As there are still restrictions and among them meeting to worship God, even so a group of brothers began to meet since other activities were enabled, such as places to drink, restaurants, gyms. Places that are considered essential in some respects, and with that criterion we consider it essential and necessary to meet as a church. As I said at the beginning, there is still no great risk of contagion in this area and many restrictions are in vain and are prejudicial to the people.

We met with brothers who voluntarily and under their responsibility decided to make God a priority. At the moment we meet only on Sundays. In the preaching I have preached and brother Franco Del Arco (nephew) accompanied in the service by brothers Luis Figueroa, David Mamani and Edgardo Correa.

**MEETING ROOM IN SARMIENTO:** At the end of last year I had rented a meeting room in the city of Sarmiento, 170 km from Comodoro Rivadavia, in order to hold meetings. I had to stop renting this place due to the impediment of traveling there. To date there is a Christian living there, but we cannot go. When everything passes and if God allows it I will see the possibility of renting there again.

**VIDEOS ON YOUTUBE:** I have recorded some videos and uploaded on YouTube and Facebook for evangelism and edification of the brothers. I leave the link to these videos in case you want to see them:

Health status of the brothers: The brothers here, Comodoro Rivadavia, and other brothers where Rawson collaborated, Sarmiento and Punta Arenas (Chile) are all in good health, thank God. My wife and children, like me, are still fine.

Economic support: Due to the pandemic, only Western Union is working, Money Gram works at the bus terminal and to date that location is closed.

I beg your prayers. God bless you, your brother in Christ Alejandro Correa □ ■
