

8/2/20

Dear brethren,  
Hope all is well there.

Everyone is doing very well here.

In-person worship continues to go well.

I'm still sending my N.T. class study notes to all the members to encourage in-home study. All have commented that they are using the study notes.

Please keep sister Rachael Scheuerwman in your prayers. Rachael seems to be doing O.K. for now, but she continues to have trouble getting her work schedule set-up so she can make worship regularly.

Lora Cotton's mom Hope Doss is still up and down with her memory and health issues, so prayers for them are appreciated.

Sister Brenda Bullock is having some ulcer issues and would appreciate prayers as well.

All other members seem to be doing well spiritually and physically.

No visitors in May.

About Glenda and me:

Nothing new with Glenda. She is still doing O.K., but gets very tired very quickly. We appreciate everyone's prayers for her, so thank you all so much.

I continue to have good health, so hopefully that will continue.

Physically and spiritually we and the congregation continue to do well. Again, thanks for your support and prayers.

We ask you to continue to remember our country, as it is not looking good for God's people in the coming years. Satan is working very hard and seemingly successfully to undermine the Faith of many. The pandemic and the protesting and rioting appear to be here for awhile. I can only pray this will cause more to evaluate their spiritual condition and turn to the Lord. All we can really do is spread the Word, and pray to God to help us in His work, come what may.

July 2020 support:

Midway.....\$1500/mo

North Beach.....\$500/mo

Weatherford.....\$600/mo

We continue to pray that the Lord's Word will spread.  
Thanks again for your prayers and support.

In the Lord  
David Reeves
