Dear brothers in Christ, we thank God for the possibility we have of being able to communicate again by this means. Despite this time of pandemic that since last March has kept us in confinement with the undesirable social confinement, not being able to gather publicly as a local church, not being able to visit us, etc. Nevertheless, the conviction of faith has kept us steadfast in our devotion and in the hope of meeting again, greeting each other, and shaking hands. And with the joy and gratitude of being alive, even though some have passed through the affectation of Covid 19. Good winds blow for the congregation, we will soon see what it is about.

Church in downtown Maturín.

First Public Meeting of Worship in a Time of Pandemic, Hallelujah:

We had confirmed that on Sunday, November 8, 2020 we could meet publicly as a church, to worship God, the entire brotherhood. The news has caused great joy. The meetings are held observing the biosecurity measures. We glorify God for the good news, indeed the meeting went without any problem.

The public meetings in Maturín will be held within the official biosafety plan in Venezuela, known as 7 + 7: A flexible week where public meetings with the respective biosecurity measures are allowed. The following week is a radical quarantine where no type of meeting is allowed.

Prayer for health:

At this time we have in prayer for health reasons several male servants of the Lord, Ronald Roark, Tol Burk and Steve Wilsher from USA.

From Venezuela, brother Rafael Silva with a very delicate state of health, several more brothers.

Praise the Lord. First meeting of public worship in times of pandemic In downtown MATURÍN. This server preaching the word.

So far this newsletter. Thank you, beloved, for participating with this server in this work.

Let's keep praying for each other, for all humanity, for the church, and for Venezuela.

We appreciate that you include us in your prayers.

If God allows, it will be until the next edition, meanwhile, we ask God to protect us and richly bless all of us. Goodbye.

In the love of Jesus,

Antonio and family.
