

11/10/20

Dear brethren,
Hope all is well there.
Everyone is doing very well here.

In-person worship continues to go well.
I'm still sending my N.T. class study notes to all the members to encourage in-home study.
Please keep sister Rachael Scheuerwman in your prayers. Rachael seems to be doing O.K. for now, but her Sunday work schedule is an ongoing problem.
Lora Cotton's mom Hope Doss is still up and down with her memory and health issues, so prayers for them are appreciated.
Sister Brenda Bullock is doing better with her health issues. Thanks for the prayers from all.
Sister Dorothy Warren is in Colorado with her daughter for now. It may be a couple of months or more before she returns to Texas.
All other members seem to be doing well spiritually and physically.

I had mentioned previously that I had started sending my class study notes to Debby Westerman a few weeks ago. (She had stopped coming to worship about two years ago and I couldn't get her to respond to attempted contacts). I finally got ahold of her on the phone again. She is supposed to meet with Glenda and me tomorrow, the 11th, to talk about her spiritual needs. Pray that it goes well for her.

About Glenda and me:
Nothing new with Glenda. She is still doing O.K., but gets very tired very quickly. We believe everyone's prayers have helped her so much, so thank you all very much.
I continue to have good health, so hopefully that will continue.
Physically and spiritually we and the congregation continue to do well. Again, thanks for your support and prayers.

I lost my mother to old age on the 20th of Oct. It was a peaceful departure. I'm sad, but her mind was gone so she wasn't getting much out of life. I didn't get the word out because she died on a Tuesday and we buried her on Thursday. I wasn't in charge of arrangements.

We ask you to continue to remember fellow Christians in our country and the world as it is not looking good for God's people in the coming years. Satan is working very hard, and seemingly successfully, to undermine the Faith of many. The pandemic and the protesting and rioting appear to be here for awhile. We have to see how the election plays out as far as our freedom to worship freely goes. We can only pray for the best.

Oct 2020 support:
Midway.....\$1500/mo
North Beach.....\$500/mo
Weatherford.....\$600/mo

We continue to pray that the Lord's Word will spread.
Thanks again for your prayers and support.

In the Lord
David Reeves
