Dear brethren,
Praying all is well there.

The Cotton family issues are a little better for now. Please say some extra prayers for the Cotton / Doss family.

Pray for Denver Dobbs and his mom, Sister Sandra Dobbs. Sandra is still having cardiac issues and related testing. Please keep her in your prayers for both health and spiritual strength.

Please keep praying for Deb Westerman as we try to restore her.

All other members still doing well spiritually and physically.

Have had some visitors. A young woman who recently moved down from Michigan has been coming to Sunday morn worship. Hopefully we can study with her as she expressed an intent to keep coming here.

About Glenda and me:

Glenda is still having more bad days than good, but no new reasons for that. Her disease is what it is We appreciate everyone's prayers for her, so thank you all so much.

I've been having some infection issues since this past weekend, which is why this is late getting out. Am on antibiotics so anticipate a swift recovery.

Overall, we and the congregation continues to do well physically and spiritually . Again, thanks for your support and prayers and the increased support.

We ask you to continue to pray for our country to not restrict the Lord's Word.

I didn't see any upcoming meetings on the North Beach website. Please advise if I've missed something. I will try to attend as many nites as possible at the next one. It will be good to see all and I appreciate the fellowship I always get from all of you.

Thanks again for your prayers and support.

May God continue to bless you all in your efforts for the Lord .
