

# Y. Surender – India – September Report

---

Greetings to the elders, deacons and all the members at North beach.

I rejoice in the Lord greatly for your love and concern for me and for the Lords work hear. I thank you for your support from the early days of me preaching the gospel. By the grace of God We are able to do all the things through Christ who strengthens us.

I specially thank the elders for increasing my support for the increased work.

September: I am glad to say that our good God is blessing our co labor efforts, apart from my local work on 9th traveled to Pullmaddi Church of Christ to preach in the gospel meeting.

On 18th Preached in a bible class at Mominpet church of Christ. On 28th preached in a Gospel meeting at Sadasiveapet, at the end of the meeting one young man was baptized.

October: Great and good news about the New work in Erugupalli ( Karnataka state ) on 2nd October we conducted a day bible I preached on the subject of Baptism, BAPTISM, HOW , WHO ,AND WHY. members have taken a good advantage of the class at the end of the class 3 members were baptized. We rejoiced in His good work . on 3rd first time 3 Christians and 11 visitors assembled to worship God. After 9 months of regular study and hard work God has opened their harts.

We even faced a strong apposition with the denominational preachers ( District Superintendent of Methodist mission) The travel to this state is not so safe we need to travel through thick forest and there is a threat of wild animals and thieves , in spite of all these difficulties God was with us . Brother Sunder is the main person behind all this work.

I thank you all for your prayers and generosity for this good cause. With out your support it wouldn't have taken place .

Enclosing some photos in other mail.

In His service, Y.Surender
