Dear brethren,
Praying all is well there.

The Cotton family issues are a little better for now. Lora's mother, Hope is still having some medical issues, and their daughter, Natilie, has had some pacemaker issues. Buddy's sister was found dead after a month of searching for her. Turns out she had wandered off from her home and had fallen and died from exposure a couple of miles from her home in Mineral Wells. Her memorial service is tomorrow. Please say some extra prayers for the Cotton / Doss family.

Sandra Dobbs is still having cardiac issues and related testing, but there seems to be some progress being made. Please keep her in your prayers for both health and spiritual strength.

Please keep praying for Deb Westerman, Denver Dobbs, and Bryan Cotton as we try to restore them.

All other members still doing well spiritually and physically.

Haven't had any visitors recently.

About Glenda and me:

Glenda is still having more bad days than good, but no new reasons for that. Her disease is what it is. We appreciate everyone's prayers for her, so thank you all so much.

I've been doing well recently, and hope to stay that way.

Overall, we and the congregation continues to do well physically and spiritually. Again, thanks for your support and prayers.

We ask you to continue to pray for our country to not restrict the Lord's Work.

Nov 2021 support:

Midway.....\$1500/mo

North Beach.....\$600/mo

Weatherford.....\$600/mo

I didn't see any upcoming meetings on the North Beach website. Please advise if I've missed something.

I was able attend meetings in Stephenville and the one here in Weatherford. I always enjoy the lessons and the fellowship in the Lord when I can attend meetings.

Thanks again for your prayers and support.

May God continue to bless you all in your efforts for the Lord .
