Dear brethren:

Pray this report finds all well there.

About the congregation:

Cotton family is coping fairly well after the sudden loss of their daughter. Their faith is strong. Lora Cotton's sister-in-law had to have emergency surgery during christmas week, but is home now and doing well. Please pray they are able to stay strong.

Both Joe and Nancy Crews are having some upper respiratory issue right now, but seem to be improving.

Our sister Rachel Scheuerman is having a family issue with one of her granddaughters. Rachel needs a lot of prayers in order to continue to do what needs to be done.

Numbers are small, but faith is strong with all of us.

About Glenda and me:

No significant changes for Glenda. She is still losing energy very easily. We would appreciate a special prayer for strength, and thanks for all the ongoing prayers as well.

I'm doing good. My chronic health continues to be good except for my vision. As I mentioned in the last report, it is starting to weaken faster than I had hoped for.

If anyone there knows of anyone in the Springtown area that we could contact for studies, please let me know.

Pray for our rulers and for our freedom to worship and teach the Lord's Word.
