Comodoro Rivadavia , February 7, 2023-

Dear brethren, I would like to greet you all, hoping that upon receipt of this letter you will all be well enjoying the blessings of our beloved God and the Lord Jesus, our Lord and Holiness.

- R E P O R T -

Health: Broadly speaking, we are in good health both my family (wife and children) and the men in the faith.

On January 20, his server turned 51 years old. I thank God that He has kept me in good health to this day.

Local Church (Comodoro Rivadavia): In Sunday meetings we take turns preaching with Brother Franco del Arco. He supplies me for the days I travel to visit Rawson's brothers. The other men collaborate in the other services, they are Edgardo Correa, Francisco Asís and Pedro Nuñez. Unfortunately there are two men who stopped congregating a long time ago, they are Christian Álvarez and Luis Figueroa.

The brothers here are in the initiative of being able to rent a meeting place. Currently we meet in a part of my home that I gave exclusively for it. But the brothers think it's better to rent a place and personally I think it's fine. I ask for your prayers for this project to be able to change premises.

Church in Rawson: God permitting this weekend (Saturday 11 and Sunday 12) I will be traveling to the city of Rawson to be with the brothers there. I will be studying some biblical topic that they propose on Saturday and on Sunday I will be in charge of preaching. I still do not define if I am accompanied by my wife or some other brother.

Possible trip to Punta Arenas: On January 31 I received a message from Brother Emilio Acevedo where he told me that he was going to be traveling to the city of Punta Arenas from January 17 to 27, in order to be with the brothers there and see the possibility of persuading the brothers who stopped attending. To date only one couple perseveres in the church there. The brother invited me to be part of this work.

Before the pandemic, with my wife, we made the effort to travel once a month to Punta Arenas to be with these brothers. The overland distance from my city (Comodoro Rivadavia) to Punta Arenas is 1028 km. After the pandemic everything was complicated to cross the border between Chile and Argentina, so we could not go to assist these brothers. Now you can enter Chile again.

Although the desire to go was always another impediment was the currency exchange, the Argentine peso is very devalued in Chile. Today (Tuesday 7) I spoke with Brother Emilio and I proposed to make the effort and go visit these brothers, but I do not know if I can do it the 10 days that Brother Emilio will be but even 4 or 5 days. This is due to the cost of lodging in Punta Arenas. But if God allows it, giving us health, we will make the effort to be able to go to the south of Chile to help and encourage these brothers, and in the future see the possibility of going once a month

to be with them (Saturday and Sunday). I ask for your prayers for this work that there will be no impediment to go.

Final greeting: Brothers I say goodbye to you as always begging your prayers for us, at the same time we pray for you from this part of the continent.

I sincerely thank each church and brothers who help me financially to move forward carrying the gospel of Christ in this city, which are *"fragrant smell, sacrifice I accept, pleasing to God. My God will therefore supply all that you lack according to his riches in glory in Christ Jesus."*

The grace of the Lord Jesus Christ, the love of God, and the fellowship of the Holy Spirit be with you all. His brother in Christ greets him Alejandro Correa ■
