Sir. The worship service was conducted actively and all the Church members were active in the worship service.

And I have visited them twice in a month and having prayer and encouragement them in the word of God.  
We are all good except my Mother.

And the last month.

And an elder of the preacher who is from Manipur Churachanpur. He visited us and I companion with him during his visited us and also I take him and have visited all the church members and have a great fellowship in the word of God.

He is Mr Haomuan Sountak he was formal preacher in New Lamka Congregation.

And this is not related with the work report but I just wanted let you know.

My house which is in Manipur the name of my village is Called Khamenlok village.

Even my house was burndown by Meitei terrorists. But at the present I am not staying over there my Aunt was staying at my house. This is the clashes between the Meitei which is majority tribe and my tribes (Kuki). Kuki tribe are minority in the state of Manipur India.

And the war is still going on.

Now we are also homeless.

And last I don't have the personal Bible class with anyone.

Because of my friend who visited our congregation I spent times with him.

And the money which you have sent I got it on 5 July 2023 .

Once again I thank to all the Saints who are at North Beach Church of Christ with elders and deacons may God bless you all.

Thank you
