

INFORME DE ESTUDIOS DE MARZO

Greetings, dear brothers and sisters, may God continue to bless you greatly.

Thanks to the LORD we are very well. My wife's prenatal checkups have all gone very well, this month was a little break for my wife's exams, she is in week 19 of 40, I ask for your prayers that everything goes well with my baby and my wife. Recently I went to my check-up to check my values and thank God they have improved a lot, I still suffer from colon problems, but following the doctors' indications it will improve, as well as a small pain has appeared in the lower part of the spine which the doctor ordered me to do some specialized tests to determine why, I hope in the Lord that it will not be serious.

My mother is fine, she has not yet been able to schedule her appointment, I hope in the Lord that it can be soon.

The brethren in the church are doing very well. I continue to work in the houses, giving Bible studies and organizing early studies with new contacts.

I ask you for much prayer for the work and for me, so that I may continue with courage in this beautiful work.

Thank you for your help, for me it is a great blessing. May the love of the Lord be with you

In my Sunday responsibilities, I continue to lead the first hour study and sermons. At the end of each month, I lead a space to learn new hymns for the worship of the Lord.

I continue to run the studios on Wednesdays.

We continued our weekly studies on Fridays with Sister Diana.

I continue my Bible studies on Wednesdays with Don Alberto. Because of his illness, it has become a little difficult to attend meetings. Don Alberto suffers from a rare illness that prevents him from moving great distances.

We continued our weekly studies with Sister Maria.

Our sister Zuly and her daughters have recently moved to live in Popayán. We agreed to a weekly visit on Thursdays and study with them and their acquaintances
